

JOIN US IN CREATING INCLUSIVE PARTNERSHIP

The future of our oceans is in good hands when we empower women to guide it: team up with us in creating inclusive partnerships that turn marine opportunities into lasting prosperity. To all the women hearing the call of the ocean: answer it, for the maritime world needs your strength, skill, and perspective knowledge sharing.

We call for strategic partnerships to expand capacity and finance for women in the maritime sector, ensuring they transition from low-paid jobs to leadership and ownership. By empowering women through training and visibility, we not only promote gender equity but also accelerate the sustainable, innovative growth of the global blue economy. Let's empower women to lead from the shoreline to the high seas.

BRIDGE THE GENDER GAP

The future of our oceans depends on the talent of women--- it's time to bridge the gender gap and turn the tide toward a more inclusive maritime sector in Tanzania. The time has come to moving women from passive beneficiaries to active protagonists.
